

NEW County/Parish Addresses

Last update: October 27, 2004

Following is a list of **NEW** County/Parish addresses that have changed since the *2004-05 Voting Assistance Guide (VAG)* was printed (September 2003). These addresses have been kept current on the online VAG at www.fvap.gov (Select State By State Instructions).

If the voter is overseas and knows that he or she has sent their absentee ballot to a wrong address, and is otherwise qualified to vote the Federal Write-In Absentee Ballot (FWAB) the voter should immediately send another FWAB to the new address. The voter should indicate on the FWAB that he or she had previously sent a voted absentee ballot to the wrong address.

If a voter is sending an absentee ballot to their local election official with a PO Box number and needs a physical address due to mailing requirements, the voter may call FVAP using international toll-free numbers from over 60 countries found at www.fvap.gov. FVAP will attempt to contact the LEO and obtain a physical address.

Voting Assistance Officers, please refer to the FVAP website for the most current information and update your hardcopy of the *2004-05 Voting Assistance guide*.
